

Supplemental Neuroscience Graduate Application

To apply for admission to the Neuroscience Graduate Program you must complete both The University of Texas Graduate School Application (<https://gradschool.utexas.edu/admissions/apply>) and this supplemental application, which must be uploaded to the status check website (<https://utdirect.utexas.edu/apps/adm/mystatus/>)

Name: _____ Date: _____

UT EID: _____ Email: _____

Please list the names of at least 6 INS faculty members with whom you might be interested in rotating and/or doing your PhD dissertation work. You'll find descriptions of their research at:

<https://neuroscience.utexas.edu/academics/graduate/institute-for-neuroscience-faculty>

Check the area(s) aligned with your interests:

- Addiction
- Behavior
- Cell/ Molecular
- Cognitive
- Computational
- Learning & Memory
- Sensory/Motor

Faculty Interest – List at least 6 names

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____

Please list the courses you have taken in the following areas, including course title, grade, and whether it was at the undergraduate or graduate level:

Neuroscience, Psychology, and related courses:

<u>Course Title</u>	<u>Grade</u>	<u>Level</u>
---------------------	--------------	--------------

Math and Physics:

<u>Course Title</u>	<u>Grade</u>	<u>Level</u>
---------------------	--------------	--------------

Other sciences and relevant courses:

<u>Course Title</u>	<u>Grade</u>	<u>Level</u>
---------------------	--------------	--------------
